

Hightower PTA Community Yard Sale
2601 Decator Drive, Plano 75093

This spring Hightower Elementary PTA will be renting parking spaces at Hightower where you can hold your own "yard sale". We are offering a venue for you to reuse, reduce, recycle, or repurpose your unwanted goods. This is also a fundraiser benefiting Hightower PTA. We offer this as a community-based event where everyone is welcome to participate. We will close registration at 67 spaces, with a maximum of 4 spaces per seller. Please return your reservation and rental fee to the school ASAP as we expect our sale to fill up quickly!

For your parking space fee you get:

- Great School and Neighborhood Exposure
- Marquee, web, and print advertising
- Use of our City of Plano Garage Sale Permit
- Use of our parking lot, not your own garage
- Free haul-off of all your unsold items by charity after the sale
- All your proceeds from your items sold

You must be responsible for:

- Providing your own volunteers, display tables, etc.
- Seed money or change
- Handling and security of funds collected
- Display and merchandising
- Delivery, unloading, and set-up
- Tear down and clean-up
- Box/bag up your donations for charity collection
- Parking at designated areas
- Your children - children must be accompanied at all times

Hightower PTA will arrange for pick-up of all remaining items—donated to charity.
